Re: Freedom of Information Act Request 4-RIN-810-88

Gentlemen:

On the 14th of April I submitted a Freedom of Information request on the following sites:

1. Carrier Air Conditioning Plant, Collierville, Tennessee - Project Manager Jeffrey Hunt
2. Carrier Corporation Plant, McMinnville, Tennessee - Project Manager Charlie Stevens
- ✓3. O'Brien Site, Kentucky - Project Manager Robert Morris
- ✓4. Cynthiana Site, Kentucky - Project Manager Robert Morris
- ✓5. Distler Brickyard, Kentucky - Project Manager Nancy Dean
6. Slate Lick Dump Site, Kentucky - Project Manager Robert Morris

My request for access to the files was granted on May 19 along with names and numbers of the project managers. I have been in contact with them and have made arrangements to review their files during the week of July 25.

The purpose of this letter is to see if your department has files on these sites as well. If it so happens that your department has files; I would appreciate being contacted by you. If you are unable to reach me, would

you please let the project manager know that there are files available in your department for my review. Then once I arrive at the EPA office, I will contact you and make arrangements with you to review your files.

Sincerely,

THE TRAVELERS INSURANCE COMPANY
